

1 (BSP December 5, 2005)

2 "Prestressed Conc. Girder _____", per meter.

3 The unit contract price per meter for "Prestressed Conc. Girder _____" shall be full pay
4 for performing the work as specified, including shop drawing submittals, fabrication,
5 storage, handling, shipping, erection, furnishing and removing oak block wedges,
6 furnishing and removing temporary bracing, and furnishing and cutting temporary
7 strands. For deck bulb tee girders and PCPS members, all work related to equalizing
8 girder camber, connecting weld-ties, and grouting keyways, shall also be included. For
9 spliced prestressed concrete girders, all work related to cast-in-place concrete closures
10 and post-tensioning shall be included. Payment will be made based on the quantity
11 specified in the Proposal, unless changes are made to this quantity in accordance with
12 Section 1-04.4, in which case the quantity specified in the Proposal will be adjusted by
13 the amount of the change and will be paid for in accordance with Section 1-04.4.
